

Murray Edwards JCR

Easter Week 2, Saturday 8th May 2021

Apologies: Erin

Malini:

- Undergrad year group reps – recruitment ideas needed
- India fundraiser – for oxygen cylinders, better medical care; all members of JCR support - Maria to follow up on specific details
- Welfare and Ents to communicate more with Michele, rather than just Terri
- Some international students have had problems with rent – holiday rate on 18 March; clarity with invoices
 - Ridley to publish correct rent costs on the website
 - This issue of random invoices needs to be brought up at the next Undergraduate Liaison Meeting
- Groups to meet with Dorothy – trans/non-binary, access (Jane, Joy), welfare (Connie, Daisy, Sikemi, Cat, Nourhan)
 - New officers from by-elections may also want to be involved here

Joy:

- Attended a race and ethnicity group session discussing issues with facilities, porters, prejudice need voicing
- Communication with BAME students – group chat (informal), possibility of mailing list

Ridley:

- Library – ventilation and capacity means library cannot hold any more people
- Sexual health – issues with supplies from SU – welfare officers to discuss with Paola and Michele, re laundry box

Nourhan:

- JCR to vote on statement next week

Sikemi:

- SCOOP – zero waste, Cambridge-run; JCR support
- Plastic in Dome – everything used in Dome is compostable; College trying to reduce amount of cling film on the cutlery
- Charity fundraiser
- Bins in kitchens – students should be encouraged to make use of all the different bins, be conscious of the recycling, glass etc.

Carina:

- Cambridge SU council meeting - Uni-wide issues; JCR able to vote. Email Carina if issues arise that need to be brought to university level
 - Justice Workers' Campaign – JCR support on the whole

Jane:

- Access subject reps needed

Connie and Daisy:

- Skive @ 5 is able to be held in person, groups of 6 (until 17 May) - more volunteers needed
- Issues flagged up with tutoring system with Paola and Michele – if you have issues with your tutor, email Paola Filippucci
- Exam term means groups of >6 people not allowed outside, College unlikely to change this after May 17th as silence needed during revision and exams

Elliot:

- Awareness of transphobia needs to be addressed – oestrogen artwork prominently displayed making trans students uncomfortable
- Gender expression fund available up to £40 and entirely confidential
